Personally appeared before me, Geo. Preacher, Chief Justice Liberty County, John Mahinny, who being duly sworn, says that he gave his conditional certificate to P. M. Maxwell, in the year 1839 or 40 to locate — that it was by Maxwell placed in the hands of a surveyor, who is said to have been killed by the indians, and that the said certificate is lost or mislaid, & cannot be found to be returned to the Land office as the law requires, & I further swear that I have not sold or transferred the same — so help me God.

Sworn to and subscribed before me this 24 June 1847. George Preacher
Chief Justice L.C.
